(26) Natural Resources & Reconstruction Deal

The deal will be done soon. It is said that Ukraine President Zelensky will fly to Washington DC on Friday to sign the deal of natural resources and also the reconstruction after war. Basically, US can get 50% of the resources. Details not yet announced, so how about those held in the hands of Russia.

European military force can be deployed to Ukraine, not in the name of NATO, but in name of EU. No matter what name they use, the weapons and manpower are from France, Germany or UK. Just see what flag they raise and what logo they use. The personnel and weapons are the same except the flag.

For further details we have to wait for the official announcement on Friday, how about resources in the zone now occupied by Russia, we have to wait. Anyway. If the agreement is signed, the first step of ending the war is finished, the second step is to discuss the date of ceasefire.

Gold price is retreating, the fear for inflation will be swept off. Oil prices started to drop since January and now continues to drop further. The announcement of NVDA is also a pointer to the market.

The planetary alignment is bringing a new heaven and earth.
